IN MEMORIAM

In Memory of our Dear Husband and Daddy, J. D. Hamilton, who passed away two years ago, March 14th.
Sweet peace will be your rest, dear Papa,
It's sweet to breathe your name;
In life we loved you dearly,
In death we do the same.

You left a beautiful memory, dear Papa,
A sorrow too great to be told,
But to us who loved and lost you,
Your Memory will never grow old.
—Wife and Children.

Park Service Sends New Supt. to Old C. H.

Thomas F. Norris, Jr., chief park ranger in Mammoth Cave National Park, Kentucky, has been named Superintendent of the Appomattox Court House National Historical Park here, to succeed Hubert A. Gurney, who has been appointed historian in the National Park Service's Richmond, Virginia, regional office, the Department of the Interior announced today.

National Park Service Director Conrad L. Wirth said that Norris has been chief park ranger at Mammoth Cave National Park since 1957, and prior to that had ranger assignments in Great Smokey Mountains National Park, Tennessee - North Carolina, and at Shenandoah National Park, Virginia.

Norris is a native of Wilmington, Delaware, and attended the University of Virginia. During World War II, he served with the Army in the Pacific.

Countless friends here learn with regret that Mr. Hubert A. Gurney, for over 20 years Superintendent of the Appomattox Court House National Historical Park is being transferred by the National Park Service to a new assignment as Historian in the Richmond Regional Office. Mr. Gurney has been respected and esteemed during his stay in Appomattox, and his friends wish him all success in his new assignment.

He was born in County Donegal, North Ireland. His parents moved to the country when he was 11 years of age, settling in Medford, Mass. In 1905, he married Georgie Augherton MacCormack, a native of Canada. They have four sons: Hugh, 24; Andrew, 21; Donald, 18, and James, 14. Mr. Gurney is a graduate of Tufts College in Massachusetts, where he received his bachelor of arts degree, with a dual major in History and French, graduating with honors. He also received his Master of Arts degree from Harvard University, and was a member of Phi Beta Kappa.

Prior to Mr. Gurney's employment with the National Park Service, he was employed by the Railroad Retirement Board and the Veterans Administration in Washington, D. C. In 1937, he was appointed Park Historian at Fredericksburg National Military Park. In April, 1940, he was transferred to Appomattox Court House National Historical Park as Superintendent in charge of the Restoration of the Old Village of Appomattox Court House, where the end of the War Between the States occurred on April 9, 1865.

During his 21-year tenue of service as Superintendent as Appomattox Court House (exclusive of his military service in World War II) considerable progress has been made on the restoration work. The reconstruction of the famed McLean House, was one of the features during his superintendency.

Mr. Gurney has also been active in church and civic organizations. He was most active in the establishment of St. Ann's Episcopal Church here, where he has served as Senior Warden since its establishment. He is past secretary-treasurer of the Appomattox Lions Club; was a member and chairman of the Selective Service Board of Appomattox County, and chairman of the Blood Donor Program of the Red Cross of Appomattox for three years.

In addition, Mr. Gurney served with the Army in World War II in the European theatre.

Presented Gift

Mr. Gurney was presented a gift of luggage by the members of St. Ann's Episcopal Church at a special meeting of the Vestry last Sunday. As Senior Warden he has been a major leader in this church during stay in Appomattox.

Members of St. Ann's Episcopal Church entertained the Hubert A. Gurney family, their friends and close associates, at a tea Sunday afternoon, March 12, at the home of Mrs. S. S. Shouse.

The Gurney family was entertained by the National Park Service Staff on Monday afternoon, March 13, at a social hour, at which time Mr. Gurney was presented a gift.

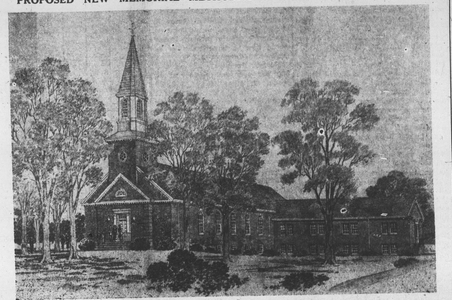
PROPOSED NEW MEMORIAL METHODIST CHURCH AT APPOMATTOX



Memorial Methodist Congregation Approves $175,000 Building Program To Begin Soon

ABOVE: Architect's drawing of the proposed Memorial Methodist Church, Court St., in Appomattox.

The Quarterly Conference of the Memorial Methodist Church in special called session Sunday afternoon, March 12, under the guidance of Dr. Edgar A. Potts, Lynchburg District Superintendent, and Rev. Richard A. Bergold, the pastor, voted unanimously to empower the Board of Trustees to provide for the necessary funds and the Building Committee to proceed as rapidly as possible, in the erection of the New Church Sanctuary and the Church School Edifice, at the approximate cost of $175,000, including furnishings, and suitable grading.

A contract for construction will be signed with J. E. Jamerson & Sons, Appomattox, Va., and it is expected that the Ground - Breaking Ceremonies will take place in the very near future.

The Building Committee: Ivey Holland, chairman; C. T. Moses, Jr.; vice-chairman; J. S. Grinels, secretary; C. W. Smith, G. E. Smith, Thelbert Trent, and Fred Lawson, together with the Board of Trustees, C. T. Moses, Sr., chairman; C. W. Smith, secretary; Leroy Smith, treasurer; A. A. Babcock, G. E. Smith, Robert A. Sears, and J. S. Grinels, have worked untiringly and faithfully on the project, and have had the overwhelming majority of the entire membership in accord with them in their decisions and proposals.

With the $40,000.00 cash on hand at the present time; the $20,000.00 which will be received by the present Church Property at the time of vacation, plus the $90,000.00 loan which has been negotiated with the Bank of Appomattox, the Farmers National Bank and the Peoples National Bank of Lynchburg, the Quarterly Conference was highly optimistic that the remaining necessary funds to cover the entire cost of the Proposed Venture of Faith would be willingly forthcoming from the members and friends of the church as the needs demanded.

VARIETY DISCOUNT PROGRAM OPERATES

As farmers ready plant beds for this year's flue-cured tobacco crop, the Agricultural Stabilization and Conservation county office reminds them that the variety discount program will operate again this year.

This will be the fifth year of the program to restrict the growing of leaf that has met with poor acceptance to domestic and export buyers because of objectionably light body and low flavor and aroma. These undesirable qualities are found in Coker 139, Coker 140 and Dixie Bright 244, according to County ASC Chairman W. D. Hix, 111.

He said that these three varieties will be discounted under the government price support program at a level 50 per cent lower than the support level for the same grade of acceptable varieties of flue-cured leaf.

Observation plots will be located in 12 counties under an arrangement with the Extension Service. Each plot will contain twelve different varieties of flue-cured tobacco including the discount varieties. Several new varieties will be planted such as Va. 12, NC 95, and Coker 316. These plantings will permit the study of growth characteristics and will provide green samples for chemical analysis.
